Online Pizza Ordering/Delivery System User Guide

Starting screen where the user Logs in to the application. This is the employee sign in page for example.

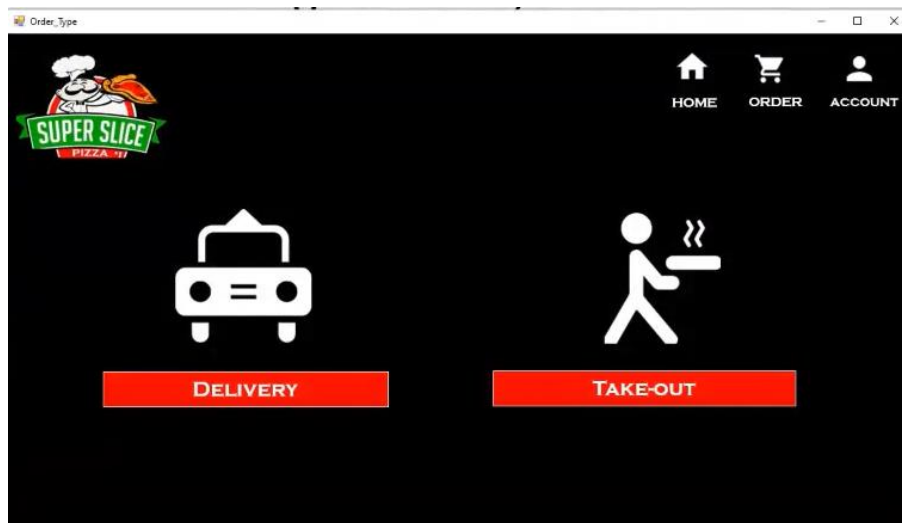

The employee is logged in to the system and on the main display screen. The customer has called in or walked up to the employee and is ready to order their food. If the input credentials are incorrect the user will be prompted and will have to try again.

Online Pizza Ordering/Delivery System User Guide

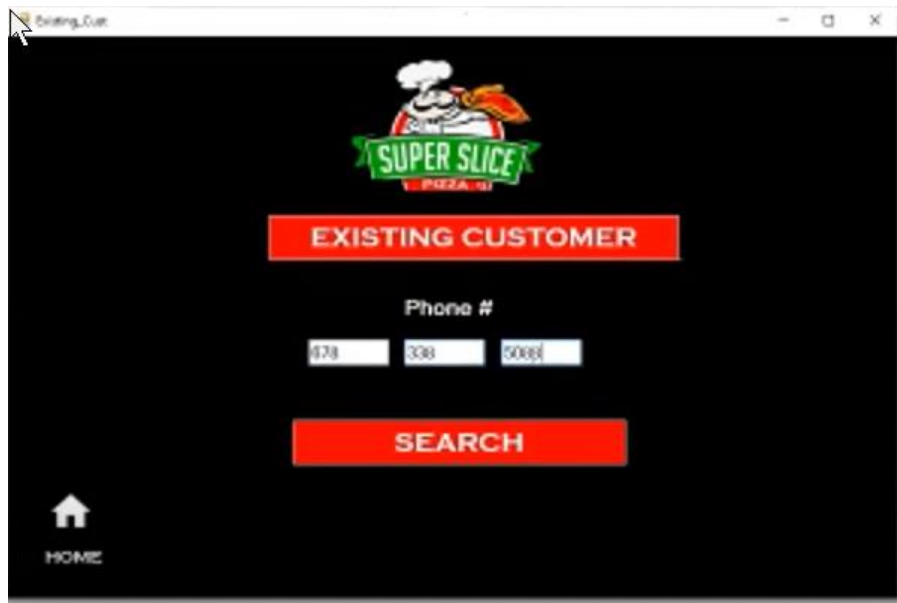

After successful Login the user can logout or start a new order.

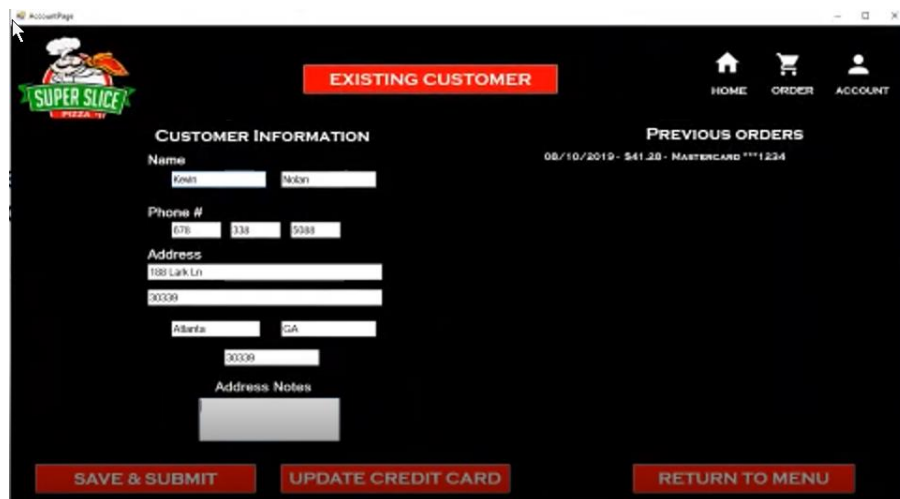

The user can select dine-in or take out.

Online Pizza Ordering/Delivery System User Guide

A screenshot of a web browser window titled "Existing_Cust". The page features the "SUPER SLICE PIZZA" logo at the top center. Below the logo is a red button labeled "EXISTING CUSTOMER". Underneath this button is a "Phone #" label followed by three input fields containing the digits "878", "338", and "0000". Below the input fields is another red button labeled "SEARCH". In the bottom left corner, there is a home icon and the word "HOME".

This application holds existing information in the DB for existing customers. The data is retrieved by a phone number lookup. The numbers are entered and searched.

A screenshot of a web browser window titled "AccountPage". The page displays the "SUPER SLICE PIZZA" logo in the top left. In the top right, there are navigation links: "HOME", "ORDER", and "ACCOUNT". The main content area is divided into two sections. The left section, titled "CUSTOMER INFORMATION", contains fields for "Name" (with "Kane" and "Nolan" entered), "Phone #" (with "878", "338", and "0000" entered), "Address" (with "188 Lark Ln" and "XXXX" entered), "City" (with "Atlanta" and "GA" entered), "State" (with "XXXX" entered), and "Address Notes" (with a text area). The right section, titled "PREVIOUS ORDERS", displays a single order: "08/10/2019 - \$41.20 - MASTERCARD ****1234". At the bottom of the page, there are three red buttons: "SAVE & SUBMIT", "UPDATE CREDIT CARD", and "RETURN TO MENU".

Upon Successful retrieval of the existing customers phone number the account record is displayed.

First Name, Last Name, Phone, Address, Type of Charge Account, Delivery Notes.

- Order History (Receipt Preview). The payment charge type is also saved and recorded. Record of payment type. - checks, cash or credit cards. (Visa/Mastercard)

Account Info Updated! OK

The user can update this existing information. Once they have made all necessary changes then they are prompted that their user account has been updated.

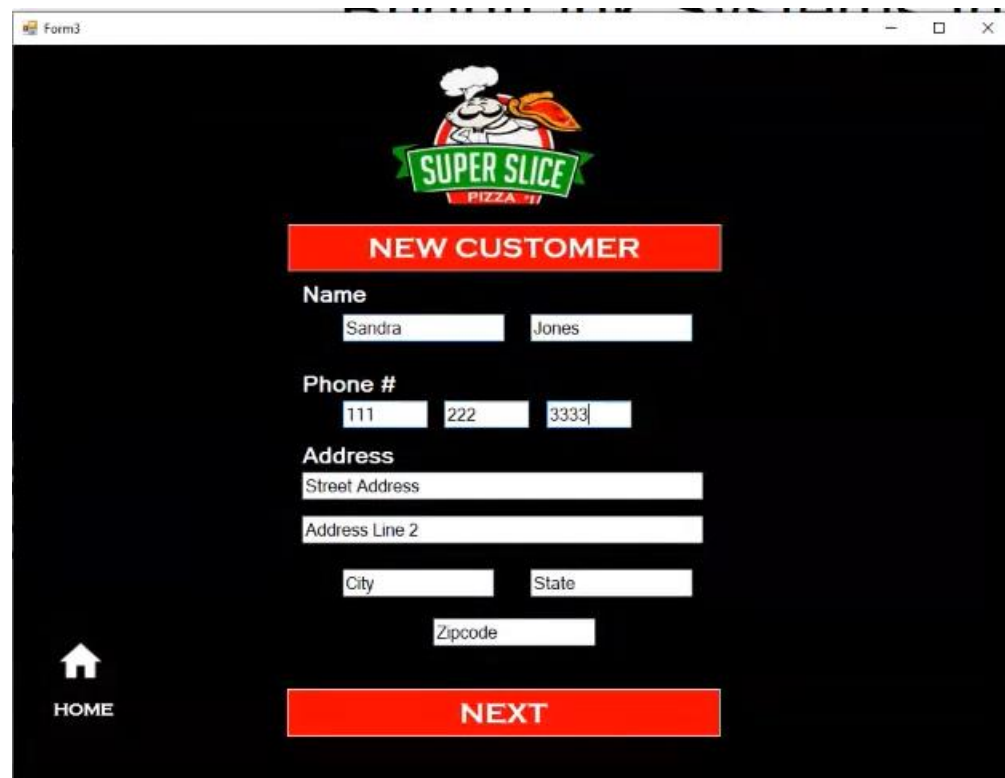

This is the main menu to begin placing an order. The customer has the option to order pizza, appetizers, drinks ect. At any time they can return to the Home screen, view their cart or account.

Online Pizza Ordering/Delivery System User Guide

New customers can create a new user account. This screen beings that process.

New customers must fill in the mandatory fields.

Name - Phone - Address - Credit card/Payment method - | Delivery Instructions (Optional)

Online Pizza Ordering/Delivery System User Guide

The screenshot shows a web browser window titled 'Credit_Card'. The page has a dark background. In the top left is the 'SUPER SLICE PIZZA' logo featuring a chef. A red button labeled 'NEW CUSTOMER' is at the top center. Below it is a white box with the text 'ADD CREDIT CARD DETAILS'. The form contains three input fields: 'Cardholder Name', 'Card #', and 'Expiration' (with a dropdown arrow). To the right of the 'Expiration' field is a 'CVV' field. At the bottom are two red buttons: 'SKIP' and 'SAVE & SUBMIT'. A small white pop-up box on the right says 'Successfully Added!' with an 'OK' button. A partial image of a credit card is visible behind the pop-up.

The user credit card account is saved at this step for further use. This can be skipped if the user wishes to pay with other methods or at the register.

The screenshot shows a web browser window titled 'Credit_Card'. The page has a dark background. In the top left is the 'SUPER SLICE PIZZA' logo. A red button labeled 'EXISTING CUSTOMER' is at the top center. In the top right are three icons: a house for 'HOME', a shopping cart for 'ORDER', and a person for 'ACCOUNT'. The page is divided into two main sections. The left section is titled 'CUSTOMER INFORMATION' and contains fields for 'Name' (with 'Sandra' and 'Jones' in separate boxes), 'Phone #' (with '111', '222', and '3333' in separate boxes), 'Address' (with '123 Abc Lane' and '30080' in separate boxes), 'City/State/Zip' (with 'Smyrna', 'GA', and '30339' in separate boxes), and 'Address Notes' (with a text area). The right section is titled 'PREVIOUS ORDERS' and shows a single order: '08/10/2019 - \$41.28 - MASTERCARD ****1234'. At the bottom are three red buttons: 'SAVE & SUBMIT', 'UPDATE CREDIT CARD', and 'RETURN TO MENU'.

The customer is now an existing customer and can begin to place an order with ease.

Online Pizza Ordering/Delivery System User Guide

S-1: Add Pizza

The employee chooses the Pizza menu option and asks the customer for the size(E-1), toppings(E-2) and crust type (E-3).

S-2: Add Appetizer

The employee chooses the Appetizer menu option and asks the customer for the appetizer type(E-4), and any specific notes. The use case continues.

S-3: Add Drink

The employee chooses the Drink menu option and asks the customer for the drink type(E-5).

S-4: Add Side Item

The employee prompts the customer for any side items they may want (E-6).

Online Pizza Ordering/Delivery System User Guide

The screenshot shows the 'BUILD-YOUR-OWN' pizza ordering interface. At the top left is the 'SUPER SLICE PIZZA' logo. The main section is titled 'BUILD-YOUR-OWN' in a red box. Below this, there are three dropdown menus: 'Choose your Size!' with 'Xtra-Large(\$17.99)' selected, 'Choose your Sauce!' with 'Alfredo' selected, and 'Choose your Crust!' with 'Thin' selected. Below these are two sections of toppings: 'MEATS (\$1 per topping)' with checkboxes for Pepperoni, Beef, Sausage, Ham, and Bacon; and 'VEGGIES/OTHER (\$1 per topping)' with checkboxes for Mushrooms, Onions, Green Peppers, Tomatoes, Black Olives, Jalapeno, Spinach, and Extra Cheese. A 'Special Notes' text area contains the text 'well done!'. At the bottom left are navigation icons for HOME, ORDER, and ACCOUNT. At the bottom right is a red 'SAVE & SUBMIT' button. A small modal dialog box is open in the center-right, displaying the message 'Successfully added Pizza to your order!' with an 'OK' button.

The user must make a complete order. Chose a size, Sauce, Crust, and toppings. Special instructions can be added as well. After completed selections the user is prompted the items have been successfully added to the order.

The screenshot shows the 'ORDER SUMMARY' page. At the top left is the 'SUPER SLICE PIZZA' logo. At the top center is a red 'ORDER SUMMARY' button. At the top right are navigation icons for HOME, ORDER, and ACCOUNT. The main section displays the order details: 'THIN - XTRA-LARGE(\$17.99)', 'ALFREDO', 'SPINACH, BEEF, PEPPERONI,', and '[PIZZA NOTES:WELL DONE!]'. Below this is a red line separator. At the bottom center, the total is displayed as 'TOTAL: \$20.99'. At the bottom right is a red 'SAVE & CONTINUE TO PAYMENT' button.

Online Pizza Ordering/Delivery System User Guide

The image shows two screenshots of the Super Slice Pizza website. The top screenshot is the 'Appetizers' page, and the bottom screenshot is the 'Drinks' page. Both pages feature a dark background with a red header bar containing the 'SUPER SLICE PIZZA' logo and navigation links for HOME, ORDER, and ACCOUNT. The Appetizers page lists six items: Garlic Knots, House Salad, Mozzarella Sticks, Wings, Caesar Salad, and Fries, each with small and large size options and prices. A 'Choose your Sauce!' dropdown menu is set to 'Hot', and a 'SAVE & SUBMIT' button is visible. The Drinks page lists six items: Pepsi, Diet Pepsi, Dr Pepper, Mountain Dew, Sierra Mist, and a partially visible 'UNCH' item, each with 12oz Can, 20oz Bottle, and 2-Liter size options and prices. A 'SAVE & SUBMIT' button is at the bottom. A small modal window in the bottom right of the Drinks page says 'Successfully added to your order!' with an 'OK' button.

Online Pizza Ordering/Delivery System User Guide

The screenshot shows the 'ORDER SUMMARY' page of the Super Slice Pizzeria website. The page has a dark background with a red header bar containing the 'ORDER SUMMARY' title. In the top left corner is the Super Slice Pizzeria logo, and in the top right corner are navigation links for HOME, ORDER, and ACCOUNT. The main content area lists the items in the order: THIN - XTRA-LARGE (\$17.99) ALFREDO SPINACH, BEEF, PEPPERONI, [PIZZA NOTES: WELL DONE!], BBQ WINGS - 20 CT. - \$16.99, and GARLIC KNOTS - LARGE - \$6.99. The total amount is displayed as TOTAL: \$44.97. At the bottom, there is a red button labeled 'SAVE & CONTINUE TO PAYMENT'.

The order is updated, and the new items are aggregated to the total. The order is reviewed here to be submitted. Customers can go back and edit their carts before checkout.

The screenshot shows the 'CHECKOUT' page of the Super Slice Pizzeria website. The page has a dark background with a red header bar containing the 'CHECKOUT' title. In the top left corner is the Super Slice Pizzeria logo, and in the top right corner are navigation links for HOME, ORDER, and ACCOUNT. The main content area features two icons: a person holding a pizza and a delivery truck. Below these icons are four payment options: Cash, Check, Credit Card, New Card, and Saved Card. At the bottom, there is a red button labeled 'SAVE & SUBMIT'.

S-1: Process Credit Payment

The system displays a form with boxes for credit card #, expiration and cvv code for input.

If an input is invalid, then E-1 will activate and if the payment is declined then E-2 is

Online Pizza Ordering/Delivery System User Guide

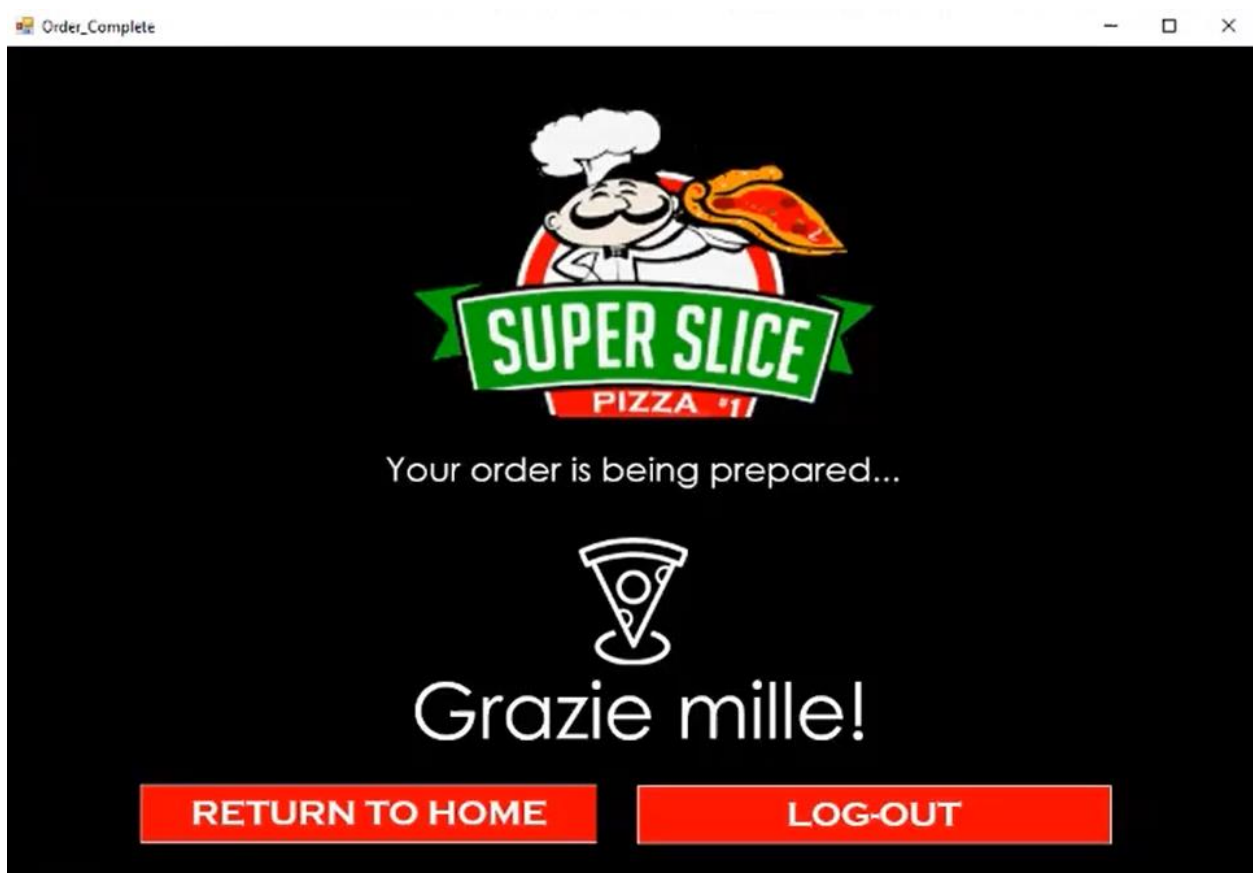

activated.

S-2: Process Check Payment

The system displays a form with boxes for check #, bank name and account number. If an input is invalid then E-1 will activate.

S-3: Process Cash Payment

The system displays a form with a box asking for total cash given. It will then display the change to be given to the customer. If the amount is incorrect then E-3 will activate.

The delivery order will prompt a receipt in the user account, or the employee will have a printed receipt ready for the customer.
